Part One

Warning, please you have to know, these are some of the few root causes of problem in our new nation of South Sudan in which many of our citizens often overlooked plus Media as well.

We would like to start with two questionable judges of Michael Makuei Lueth and Telar Ring Deng when it comes to their Law degrees, and their other unidentified friends in South Sudan's government destruction to our new nation of South Sudan.

Short and brief about Minister of information, Michael Makuei Lueth. The man is well known for his high and hot temper, uncontrolled speaking of mind like illiterate who didn't even go to school, opportunist or totalitarian character person being associated with his much of his sub-tribe of Dinka Bor or Bor County people as the Undercover Group have learned from our Interviewers, some people believe he got that much opportunity in South Sudan's government because he is brother-in-law in Warrap State where President Kiir Mayardit hails from, also he was against Dr. John Garang, and his heroes during the movement, Michael Makuei and his groups have spread lies that, every heroes and/or "Hardliners" as Khartoum tagged our heroes as another way to get ride of them because they obstacles to their u-turns exploitation of South Sudan resources and sovereignty, why not to humiliated your brothers and please your Masters from Khartoum who hold you hostage or will deny you to get your money? Furthermore, the Undercover Group have learned that, the letters to 75 heroes was a dirty tactic by Michael Makuei Lueth, Telar Ring Deng and their groups to destroy their opponents, also the banning of the SPLM/A movement songs to be sang was another way to get rid of movement vision. Plus discrimination term like “Garang Boys or Garang's orphans” “Garang has die with his vision, so who care about his baseless vision.” The last short phrase is mostly common from Bor County citizens and few from Rek Dinka and other Greater Bhar el Ghazel region Dinka whom many have been fooled by interest groups.

Our advise goes to Dinka Malual, Padaang Dinka groups, Dinka Twic (East & West), Dinka Nyarweng, Dinka Hol, Dinka Aliab, Dinka Agar, Dinka Ciec, these sub-tribes need to wake up because they are being marginalized by minority sub-tribes like Dinka Bor of Michael Makuei Lueth and Kuol Manyang Juuk, Dinka Gok of Daniel Awet Akhot, Clan of Telar Ring Deng of Atuot Dinka, and some part Dinka Rek. The Undercover Group have learned that, the Dinka Bor people have spread the ideal of promoting wrong grouping of Dinka sub-tribes, in their mind the Dinka groups should be classified like below in which we believe wouldn't happen “Dinka Bor or Greater Bor community should consist of: Twic East, Bor, Nyarweng & Hol instead of Dinka Twic East or Greater Twi Community, Dinka Nyarweng & Dinka Hol/Greater Duk Community. Many of them always rejected the incluvsive names like: Greater Upper Nile Dinka, Jonglei Dinka, Eastern Dinka, etc.” They been trying impose name like “Dinka Ngok” instead of Padaang Dinka nameOur advise goes to Dinka Malual, Padaang Dinka gro

The Undercover Group have learned that, the two judges (Michael & Telar) and their undisclosed friends were having a long term agenda to control everything in South Sudan's government for many years to come in form of dynasty basis on dictatorial leadership that will continue to benefit Michael Makuei Lueth people of Bor County/Dinka Bor.

Few examples of their planning dynasty about South Sudan in regards to two judges and their allies are below:

(1) Number one planning was to divide country into sections of their interests, for example; Michael Makuei was given Greater Upper Nile Region to control everything there, and then Telar Ring was given the Greater Bhar el Ghazal Region to control everything there. And their “Ramciel” been finally the Greater Equatoria Region.

(2) Michael Makuei Lueth and his brothers and sisters from Bor County were responsible to block anybody from Greater Upper Nile Region, particularly started with their first enemies they think are to be Dinka Twic East, Dinka Nyarweng & Dinka Hol, Dinka Padang in these three States of (Unity state, Upper Nile & Jonglei state) and then after that, the Nuer of Greater Upper Nile is next in line of conquerors, followed by Murle, and other smaller tribes like Anyuak, Kachipo, Jie.

(3) Telar Ring Deng was given a responsible to block anybody from Greater Bhar el Ghazal Region Dinka, particularly started with their first enemies they think are to be Dinka Agar, Dinka Malual, Dinka Twic West, and others sub-tribes and tribes in the region.

(4) To protect their long-term dictatorship power, the Military high positions of South Sudan's government have to be filled with Dinka Bor or Bor County men like Kuol Manyang has to be brought back and installed Bor County's sons and others they have chosen as being their puppet that are going to work for their interests in powerful positions to protect dynasty of dictatorial leadership that will always be in Bor County people hands.

(5) The intelligent sector of South Sudan's government have to be filled with people like Mach Paul from Bor County where Michael Makuei Lueth hails from, and Marial Chanuoon from Telar Ring Deng area has to be chosen as such. These two people were intentionally put here purposely to cold-bloodedly the enemy of their dynasty planning.

(6) Then the two judges chose themselves these positions of Minister of Justice and Minister of Information and Media. Telar Ring was put to Minister of Justice even though he was denied later, the plan was to let him hold that position to wrongly judge any opponent with false terms like: "Treason" and "wrong code" application when it comes to the Constitutions of South Sudan plus any wrong Justice terms that will eliminate the opponent as soon as possible. Meanwhile, Michael Makuei was chosen to be Minister of Information and Media to destroy press or Journalists, and to install in Bor County interests and its puppets on national TV. SPLA military base in Juba was assigned to Malak Ayuen from Bor County to do just to opponent, tricky things like put opponent in hot seat by questioning such a way that will identify them or wrongly accuse them being against their dominated government.

(7) Ambassadors were chosen strategically as well, people like Dr. Akech from Bor County where Michael came from as being Ambassador to US.

What happened to our humble Salva Kiir character whom many people know during the civil war time?

"Well, Kiir was oriented to a different character by his brothers and sisters from his Lineage, Clan, sub-tribe, friends whom he thinks they were really his friends, whom some of these people are Bhar el Ghazal Dinka region. Plus other people like Telar Ring, Michael Makuei and their resembling groups of common interests. Kiir's humble character orientation began in 2004 when he was told that, "now the civil war is coming to an end due to peace on process to be signed, and you actually know that you are not an educated person which is not good for you because there

wouldn't be a military leadership after that except civilian way of management. Also, Nhial is now becomes so close to Dr. John Garang de Mabior, that means Nhial Deng Nhial is going to take your position due to his education achievement plus he is being admired more than you by Dr. John Garang based on his father history and he always travel a lot with Garang. We believe this was the turning point of Kiir character, without hesitating from Kiir, he took "Well, Kiir was oriented to different character by his brothers and sisters from his Lineage, Clan, sub-tribe, friends whom he thinks they were really his friends, whom some of these people are Bhar el Ghazal Dinka region. Kiir humble character orientation began in 2004 when he was told that, "now the civil war is come to an end due to peace on process to be signed,

Immediately, after Dr. John Garang de Mabior death, unfortunately. Kiir took power, and still carry on with that advice as the main way to protects his weakness side of education. Also it was the daily and easy way for selfish and opportunist people like Michael Makuei Lueth, Telar Ring and others to deploys their interests by destroying President Kiir character even more, yet President Kiir seem like he didn't aware of it coming." Said one guy from our Interviewers

What do you think is behind Dinka Bor/Bor County always trying to impose their name of "Bor" which is not historical for Dinka Twi East Community and Dinka Duk Community people?

"In my view, there are many reasons why Bor County or Dinka Bor people don't like to hear Twic East County or Dinka Twi East name, their motivations are being related to few points below:

(a) "The word "Jealousy" about Dr. John Garang de Mabior history concerning the movement at the time of civil war period being associated with Twic Dinka and not them the Dinka Bor people."

(b) "Oil discover in Dinka Twi East or Greater Twic East Community area, is also one of the underlined motivations behind their imposing name is future benefit factor from that oil. So by any means they had been trying to chase away Dinka Twi East people from their ancestor's land for that reason as far as we concern. The Undercover Group have learned that Bor County people need that place to be called "Greater Bor area" so that the future oil benefits will go to them." said our Interviewer

(c) "The 1991 Dinka massacre, Greater Upper Nile Dinka massacre, Jonglei Dinka massacre, Eastern Dinka massacre, Upper Nile Dinka massacre is another reason behind that. They think that the atrocity should be "Bor massacre" and not Dinka Twi massacre or Dinka massacre, etc."

(d) "The Dinka Bor, Greater Bor Community of Bor County are bad characters people or other in words they are the most trouble makers people as intelligent people among them know it. The truly known their isolation from Dinka Twi East and Dinka Duk will make them harder to find any friend that will trust them at all. They are known for their tricky lifestyle without transparent (thievery), initiation of conflict through mouth saying it as always and not true action of fighting it afterward, they use proxy like what they are now using in their sold out of our new nation to Uganda and others, one example, Abel Alier did it in first civil war under Addis Abebe accord and now Michael Makuei Lueth have done it again. Also when it comes to ongoing conflict in South Sudan, when their town of Bor captured by rebels, they just run away without fighting. For

this, they were not happy because the Dinka Twi and Duk Dinka people who are always paying the price for their wrong doing and this time are not coming to fight the(d) “The Dinka Bor, Greater Bor Community of Bor County are bad characters people or other in words they are the most trouble makers people as intelligent people among them know it. Our Undercover Group have found out that, the people who are not happy about calling of Uganda troops withdraw from South Sudan and other involve militias in South Sudan’s affairs are mostly from Dinka Bor or Bor County and their interest groups from certain sub-tribes, sections or lineages from Greater Bhar el Ghazal region Dinka. Also, the Dinka Bor or Bor County people were not happy when President Kiir says, “anybody who killings other people in my name will solely be responsible for his killings.” according to Sudan Tribune web site reports. Our intelligent Group have analyses that, the main reason why they were not happy about statement from President Kiir was because Michael Makuei Lueth and their interests groups were the one responsible in targeting of Dinka Twi or Greater Twic East Community, Duk Dinka Community, Dinka Padang of Greater Upper Nile, Shilluk and Nuer people in Malakal town and other areas. Our interpretation of massacre upon these communities were mostly basis on Michael Makuei saying Our Undercover Group have found out that, the people who are not happy about calling of Uganda troops withdraw from South Sudan and other involve militias in South Sudan’s affairs are mostly from Dinka Bor or Bor County and their interest groups from certain sub-tribes, sections or lineages from Greater Bhar el Ghazal region Dinka. The massacre of Nuer and other Dinka people in Juba was not a direct order from President himself, it was Michael Lueth, Telar Ring, Marial Chanuong, Mach Paul, and others to fulfilled Michael Lueth and Telar Ring “Fake Coup”. The main reason why we say it was not a direct order from President is because everybody surroundings Kiir do acts like President in his/her own costs. Saying whatever he wants and do whatever he wants.

When we heard these claims we were totally shocked!!!

Why Dr. Majak Agoot of Dinka Twic East been targeted by people like Michael Makuei Lueth and some people from his Dinka Bor, and Telar Ring Deng’s associates? The Undercover Group have learned that from our interviewers, the few reasons are, “Dr. Majak Agoot is an educated person, hero, he is from Dinka Twi East community whom people like Michael Makuei Lueth and others don’t want anybody from there to becomes president and/or to be in be any higher position like president position and others in South Sudan’s government, plus they know he was brought up during the movement by President Kiir Mayardit. That means to them he is an absolute threat to Telar Ring Deng ambition that was agreed on by him and Michael Makuei’s associates to be the next President of South Sudan dictatorial system they want to implemented. Also, the “Fake Coup” is not something new either to Dr. Majak Agoot, he was one of the first

individuals if not the first person to be smear by Telar Ring, Michael Makuei and their groups even when SoWhy Dr. Majak Agoot of Dinka Twic East been targeted by people like Michael Makuei Lueth and some people from his Dinka Bor, and Telar Ring Deng's associates? "President Museveni of Uganda in South Sudan affairs is not a surprise thing at all to intelligent people except the average people. The speeches the President of Uganda gave during the Second Anniversary of new nation in which he insulted the widow of Dr. John Garang was a planned Speech by Michael Lueth, Telar Ring and their groups. Those words were not his (M7) own words." Said Lou Nuer

Dr. Riek Machar Vs Dr. Riek Gai, that means Nuer Against Nuer,

Dr. Lem Akol Vs. Pagan Amum and Oyai Deng Ajak

Dinka Twic East people Vs. Dinka Bor people

"Dr. Lem Akol was brought back to South Sudan's government to be their road-blocks or obstacles to Pagan Amum and Oyai Deng. In other words, it was brotherhood and sisterhood matching against one another within Shilluk tribe for time being, and afterward Dr. Lem have destroyed his brothers, the group will turn back to him as their old enemy of the 1991 Dinka massacre. He was brought to Administration to encounter Dr. Riek as well.

What do you about the case of Kuol Manayang vs. George Athor in 2010 whereby Michael Makuei who was back then a Minister Justice taking side of Kuol Manyang?

"For what I know, during the time Michael Makuei was a Minister of Justice in South Sudan government. He did take side of Kuol Manyang Juuk, in which there would be no surprise that, the death of our hero George Athor Deng have some dirty hands of Michael Makuei Lueth and his politicians of Dinka Bor. You have to know that too, the death of Isaiah Abraham from Dinka Twic East have dirties hands of Telar Ring and Michael Makuei, etc." Said Mr. Kakwa

The Undercover Group have learned that, Michael Makuei responsible for these:

- The targeting of Twic Dinka East, Dinka Duk, Dinka Padaang Groups, Shilluk, Nuer, Murle in Malakal
- The under-house arrest of Widow of Dr. Rebecca Nyandeng has our account have learned that the president didn't Nyandeng to be under-house arrest at all
- We have learned that reason why Michael Makuei did pre-judge the detainees to be executed in according military is because nobody in jail from his Bor County or Dinka

Bor were he came from. And of course, the bigger threats against their dominance in government of South Sudan was among the detainees, the Dr. Majak, Pagan Amum and Oyai Deng who are going to continue and allow Dr. John Garang from Dinka Twic East vision alive plus these heroes are mostly qualify to even take away their dictatorial leadership they have planned. Something smell fishy here.

- He is also the one responsible in labeling of Greater Upper Nile Region Counties except his County of Bor is the only one didn't rebel against is something to reckon with intelligent community

In your view, do you think there was a coup?

No! It is 100 percentage no! "It was a 'Fake Coup'" as one put it according to our accounts as Undercover Group from our source, "there was no "coup" at all as many people had been said, "it was a make-up from the blue by Michael Makuei Lueth, Telar Ring and their common causes groups of theirs. The man reason behind make "Fake Coup" was no other persons than Michael Makuei Lueth. You can see, when he attained the December 6, 2013 Conference by SPLM Party members, the man was not there to cover the Conference under his duty of being the Minister of Information of everyone in South Sudan's government, but he was there to records the names of people who were the attendees plus whoever names were mentioned by the group. You can his body language."

Did you ever hear that, Rebecca Nyandeng was under house arrest particularly by Michael Makuei Lueth?

"Yes, Rebecca Nyandeng house arrest was done by Michael Makuei Lueth even without consulted President Salva Kiir Mayardit about it. For instance, they the Bor County people are the one crying now why Rebecca Nyandeng should be arrest. Whom President himself denies. It shows that, Michael Makuei Lueth and Telar Ring Deng are also responsible for the arrest of heroes basis on lying and not facts. They are they ones running the country. Also, the targeting of Dinka Twic East, Dinka Nyarweng and Dinka Hol is an evil doing by Michael Makuei, Telar Ring and their groups."

"According to somebody who knows more about Dinka people and its sub-tribes' backgrounds told the Undercover Group that, "the Bor County people don't fight, their tongues fight war seriously and not a really action it sounds. Right now they are using Greater Bhar el Ghazal Region Dinka for their own interests, Uganda troops and other troops being by them through our citizens resources to hang to their dictatorial controlled government. Dinka Bor misled them now, and there will be a time the Dinka majority of Bhar el Ghazal will regret about these people for their sons dead in vain. Greater Bhar el Ghazal Dinka, the majority without reasoning who do believe in Dinka Bor thugs what they say against dignifying people of Dinka Twic East, Dinka Nyarweng and Dinka Hol will be troubling truth come out later on. These people are known for their selfish, thievery, opportunistic, tricky lifestyle, stingy, greedy, etc. During the old days, they use to trick Aliab Dinka people through buying their cows using playing car"Ac

"The 'Jealousy' of Dinka Bor against Dinka Twic East people
According to our many sources, they Bor County people are the main cause of problem in South

Sudan nation.” Said Mr. Boya tribe

“On December 6, 2013 SPLM members Party Conference, Michael Makuei Lueth and his people of Dinka Bor or Bor County were so happy to see Rebecca Nyandeng and Dr. Majak Agoot in group, the only two of the few intellects the last civil war have left from Dinka Twic East. Also, they were so happy to see heroes like Pagan Amum, Oyai Deng, Deng Alor, Gier Chuang, their enemy number one, Dr. Riek Machar and others whom they don’t like because they are parts of Dr. John Garang de Mabior vision from Dinka Twic East people they don’t like to have anything good favor them at all. Furthermore, they don’t like these people because they will keep Dr, John Garang de Mabior Vision alive.”

When Dinka Bor people become aware that the Dinka Twi East people don’t like their imposing name of either Dinka Bor, Greater Bor Community or Bor massacre. They turn to strategy way of jealousy against Dinka Twic East people like the case of two ladies arguing over a baby in the Bible, according to the Wisdom of Solomon in old Testament. Their irks been to destroy anything about SPLM/A vision. Even some people among them now saying that, “the founder or father of South Sudan nation wouldn’t/shouldn’t be Dr. John Garang de Mabior basis on jealousy against Dinka Twi East people and not fact base claims,” according to their saying too, “The Founder or the Father of the nation should be either President Kiir Mayardit or Kerubino Kuanyin Bol.”” Said ones of interviewers

Why Michael Makuei Lueth and people from Bor County always trying to smearing Rebecca Nyandeng and her Son Mabior Garang as being rebelled against the government of South Sudan? The reason behind that, Michael Makuei and people from Dinka Bor try to match their bad records that labeled the majority of Bor County people as they were against the SPLM/SPLA during the movement that included Michael Makuei himself. For example, now they say, “Rebecca and her son Mabior Garang have destroyed Dr. John Garang de Mabior Vision and legacy due to baseless reason that they are rebelled against government. What a dump people are they, what is the connection here, none other other than jealousy claim” says one of our interviewed person. Also they say, “from now on there wouldn’t be no what so called Dinka Twic anymore but Greater Bor community or Dinka Bor. Without shame as well, they say, “the Jonglei State is going to be divided into many States were one would be Greater Bor State that would consist of Bor, Twi, Duk, etcW

Part Two

Nhial Deng Nhial and Deng Monydit: These people were brought back to government of South Sudan not because they were needed there by Telar Ring Deng and Michael Makuei who are often considers Nhial Deng Nhial being a big threat to their long term planned presidency position handover to Telar Ring in future by President Kiir. Nhial was brought back though through condition bases on last year Ministers or Cabinets allocation complains. These two also know that, Nhial is top the list of people being described as “Garang’s Orphans/Garang’s

Boys/Garang's heroes of history they are not part of it and it should be destroyed. After Dr. John Garang de Mabior death, Nhial was told by one of his region person, "back then you have lost your father (Deng Nhial) and now you have lost another father (Dr. John Garang), what will you do now, Nhial?" says individual with laughing toward Nhial.

Another uncovered plan by Dinka Bor people by the Undercover Group is that, the Bor County people are trying anything to make Dinka sub-tribes to be put under irrelevant four groups, for example:

- They think, Dinka Bor/Greater Bor Community should comprise of: Dinka Twi East, Dinka Bor, Dinka Nyarweng and Dinka Hol. They don't want inclusive names like Greater Upper Nile Dinka, Jonglei Dinka, Eastern Dinka Southeastern Dinka, or Upper Nile Dinka massacre, Greater Upper Nile Dinka massacre, etc.
- Also, they think that the Greater Bhar el Ghazal Dinka, Western Dinka of Rek Dinka, Malual Dinka, Dinka Twi West, Dinka Ruweng West should be collectively be put under Rek Dinka.
- According to them, the Agar Dinka should comprise of: Aliab Dinka, Atuot Dinka, Ciec Dinka, Gok Dinka.
- Padang Dinka name shouldn't be allow, it has to be "Ngok Dinka."

Our Undercover Group have learned that, Dr. Majak agoot Investigation have been put in hand of Dinka Bor/Bor County man been known for his hatred of Dinka Twic East people.

Kuol Manyang was brought back to be Minister of Defense by Michael Makuei, Telar Ring and their groups to protect long term planning dynasty of Bor County interests in South Sudan Military affairs.

What do you think is behind Dinka Bor people are become outrages toward Dinka Twi, Dinka Nyarweng and Dinka Hol nowadays?

The reason is being caused by few reasons below according to our Undercover Group research:

1. "Dinka Twic East, Dinka Nyarweng and Dinka Hol don't want these war due to this conflict been caused by Dinka Bor intellects and their group to protect their own interest in President Kiir. Also these sub-tribes don't want another war because the last civil war have devastated their communities the most so they were looking for political solution rather than the spilled of another human beings lives would be the solution while the main goal had been achieved through independence of our nation over two years ago. Also these sub-tribes do consider that, there is no reason kills each other as we are brothers and sisters to each others, etc. As one of our interviewers said, "you see how stupid these people are, they chase away Dinka Twic East, Dinka Nyarweng and Dinka Hol from South Sudan's government because it was a good thing back then to gain from, but when it becomes bad or nothing to gain from but wrongly death, they start crying for Dinka Twi East, Dinka Nyarweng and Dinka Hol to fight their dirty tricks. "Dinka Twic East, Dinka

Nyarweng and Dinka Hol don't want these war due to this conflict been caused by Dinka Bor intellects and their group to protect their own interest in President Kiir. Also these sub-tribes don't want another war because

2. "Recently they (Bor County people) are become unhappy with President Kiir statement saying that, "anybody who killings other people in my name will be responsible for his actions." The reason why they are unhappy about that message is because they are the one targeting Dinka Twi/Twic East County, Dinka Nyarweng & Dinka Hol/Duk County, chollo/Shilluk, Nuer people in Malakal under the pretext name of President Kiir and Greater Bhar el Ghazal Dinka Region who are being misled by their tricky way much well known to Dinka Bor of Michael Makuei and Kuol Manyang." And quote by one of our interviewers

Other person put it, "also they are now crying after they have heard some rumors concerning troops from Dinka Bhar el Ghazal region who are not fighting in Bortown, by claiming that, "why we come and die in Bor land under false conflict?" And they run away from fighting." They are now crying, "why not been Twi, Duk, President Kiir home State of Warrap and Greater Bhar el Ghazal Dinka region?" Common dump people as one put it, "you the Dinka Bor people are the one responsible for our new nation destructions. You guys have controlled everything. The reason why Nuer people wouldn't conquer the Dinka Twi East, Dinka Nyarweng and Dinka Hol land is due to reason that there is nothing in those areas. For instance, in South Sudan's government you guys have controlled these few powerful positions and other positions as well. You the Dinka Bor been misusing the Dinka Massacre of 1991 whom you guy know it very good it didn't affect that much like Dinka Twi East, Dinka Nyarweng, Dinka Hol and Padaang Dinka people as your

Other person put it, "also they are now crying after they have heard some rumors concerning troops from Dinka Bhar el Ghazal region who are not fighting in Bortown, by claiming that, "w

- (a) Kuol Manyang__Minister of Defense from Bor County. Michael Makuei, Telar Ring and Groups denied any Deputy. So he is Deputy Minister of Defense, Negotiating Team, and other duties.
- (b) Michael Makuei__Minister of Information from Bor County. Where he always acts like the President of South Sudan than Kiir Mayardit..
- (c) A. Deng Nhial__Minister of Environment from Bor County back then.
- (d) Makeer Thioong__Vetting committee in South Sudan government to chase way any person who doesn't represent their interests for Bor County people in Minister position or Cabinet. Last year he was caught up saying, "Kiir Mayardit forever" after the Ministers or Cabinets' positions were completely approved in favor of Bor County where three Cabinets went to them.
- (e) Malaak Ayuen____Heading the SPLA Headquarter base in Juba from Bor County. He is also part of Investigation Team in South Sudan's government. He is there to put everybody who is not under their dominance in hot sit.
- (f) A. Agou__President Kiir Secretary from Bor County.
- (g) Jok Riak__Regional Commander from Bor County.

(h) Mach Paul___Security leader from Bor County to cold blood murdering of other people whom they think are enemies to their people of Dinka Bor.

(i) South Sudan Finance Department have their interests people from Bor County as well.

(j) Many others.

The 1991 Dinka Massacre was propagandized by Michael Makuei, Telar Ring and others to scare off Dr. Riek Machar and other groups. It was a kind of forcing statement to be said by these people and others. Also it was a well calculated tactic to persuade Dinka tribe people to believe that it was a revenge war against Nuer people because of the 1991 Dinka massacre:

- (a) President Kiir Mayardit
- (b) Vice President Wani Igga
- (c) Deputy Speaker, Daniel Awet Akhot
- (d) Minister of Health, Dr. Riek Gai
- (e) And others.

The case of 4.5 billion loan, some of these money have been used to bribed some intellectuals in South Sudan basis on different tribes to protect their dirty trick. Other have been use to bribed some people in Kenya, Justice Equality Movement, Blue Nile Rebel, South Khordufan rebel, Darfur Rebels, President Museveni and other leaders from Uganda. Plus Uganda Planes were leased with these money as well, and of course some of these money when to their pockets. However, according to our Undercover Group inside account, the money are gone. Now it is a disperse situation, nowhere to loan and no access to oil area.

“Take your enemy one by one and not collectively or blindfold them to fight themselves” is being used by Michael Makuei, Telar Ring and others. For example:

- Dr. Lam Akol was brought back to kills Pagan Amum and Oyai Deng Ajak, and to cause conflict within Shilluk. If Dr. Lam becomes too stupid by killing his two brothers in tricky way, then the Dr. Lam himself becomes the next.
- Nuer outside leadership vs. Nuer inside leadership
- Dr. Riek Machar vs. Dr. Riek Gai
- Adok Nuer vs. Lou Nuer
- Taban Deng vs. New governor of Unity State
- And many others.

“Anybody who thinks that they are my supporter, they are supporting me, they should not touch any person; they should not touch any property of any person. If you just kill people in my name, then my image will be gone. If you do it also on the side of Riek Machar, then you are burying us alive”, said Kiir according to Sudan Tribune article titled “S. Sudan’s Kiir announces plans to reform army, civil service.” January 23, 2014 (RUMBEEK).

Bor County interests in South Sudan

Marial Chanuong and Mach Paul were implemented by Dinka Bor by Michael Makuei Lueth to kills anyone who will threaten dominance of his people.

Michael Makuei and Malaak Ayuen put themselves in Media to puts any their interests words in anybody they interviews. Also it another way to promote Bor County influence in South Sudan government.

Kuol Manyang was put Defense Minister position by Michael Makuei and Telar Ring to installs their people in military range to control their dictatorship.

The death of Dominic Dim Deng, Yac Arop and others was planned by Dinka Bor (Bor County) politicians to isolate President Kiir Mayardit from his people of Dinka Twi (East & West). The evidence proves this was what was said by Kuol Manyang, and quote, “we don’t want any Dinka Twic to be President again because it was Dr. John Garang de Mabior and now President Kiir.”

The intervention of Uganda military in South Sudan was well planned by Bor County politicians. They know there minority among Dinka sub-tribes, and at the at the same time they don’t fight. They fight very well in their mouth and other dirty tricks. This idea was their idea to use the fool majority of Greater Bhar el Ghazal region Dinka to die for their ideal and Uganda military as well. They have bribed many intellectuals within South Sudan and some of the bordering countries like Uganda and Kenya using 4.5 billions, and some of these money went to their pockets as well. Our Interviewers have learned

Both fake coup and letter to 75 heroes were strategically ideal to destroy anybody associated with Dinka Twic East history under Dr. John Garang de Mabior. Because they have seen that these people will bring up Dinka Twi (East & West). Also, people need to notice that whatever President Kiir been saying in his most Speeches are not his own words since 2008 after they have isolated him by killing his brothers like Dominic Dim Deng, Yac Arop and others.

They want to control Greater Upper Nile Dinka, and even they want to installed Dinka Bor name to be the general name of Jonglei State Dinka sub-tribes in whatsoever.

What did kill George Athor Deng is very well known to Michael Makuei and other intellectuals basis on their agenda that, they don’t want anybody from that region to be a threat to their (Bor County) dominance. Either in Jonglei State or the general Greater Upper Nile Region Dinka.

Michael Makuei Lueth and Telar Ring Deng divisions of South Sudan into their interests. The Greater Upper Nile Region has to be controlled by Michael Makuei Lueth, meanwhile the Greater Bhar el Ghazal region is going to be the responsibility of Telar Ring Deng.

The sleeping majority sub-tribes like Dinka Malual, Padang Dinka, Dinka Twic East, Dinka Nyarweng, Dinka Hol, Dinka Agar (they are known for their contribution in both civil wars), Dinka Aliab (these people are known for Kon Anok Campaign), etc. These sub-tribes have faced

a lot of lost over the both wars, and yet now they are being overlooked due to this Bor County colonial style. Word, “Greater” was installed by them.

According to Undercover Group accounts, the release of seven detainees was not actually being done through Administration way of justice but they were released due to threat message by Malual Dinka toward Dinka Twi West if Madut Biar is not release from detention they might attack Dinka Twi West of President Kiir Mayardit, and plus Dr. Francis Mading Deng request of freeing sons of Padaang Dinka was another reason.

And what behind the remaining four detainees is due to hatred being plaid by Dinka Bor politicians against Dinka Twic East people or politicians jealously to history of last civil war and also it was another way they want to press down the Dinka Twi East people as one from Dinka Bor once said according to our interviewer by the name Madinka ci Bor nyin Borbor ke tiel ku cuer ku liep de kang ku dir e piou. He said, “once of prominent politician one time said, we don’t want any Twi Dinka person again to be President after Kiir Mayardit have gone.”

The Dinka Bor planning through people like Michael Makuei Lueth and others was to isolated President Salva Kiir Mayardit from his Dinka Twic West sub-tribe of Dinka Twi. Was started by them in 2008 through starting complaining about Dominic Dim Deng and Yac Arop, not just because they were really bad but it was another to clear offs Dinka Twic West politicians from President Kiir Mayardit. That means the death of these two politicians might be well associated with conspiracy theory of Michael Makuei Lueth, Telar Ring and other alike groups.

What behind President Museveni Speech in second Adversary Independence

Who was behind really Dr. John Garang de Mabior wife, Rebecca Nyandeng under house arrest? In matter facts, the arrest was not made by President Kiir Mayardit but it was made by Michael Makuei Lueth and his groups that always act like President.

Undercover Group have learned that, the last year “Fake Coup” was a made up “Coup” by Michael Makuei Lueth and Telar Ring Deng. According to our source, it was Michael Makuei made up “Coup” after he has attained the SPLM Members Conference on December 6, 2013. “In matter fact, the attending of Michael Makuei in regards to December 6, 2013 Conference, he was there to records the names of the attendees plus whoever they have mentioned their names in their speeches. Well, some people think Michael Makuei was there to covers the Conference because he was everybody Minister of Information, not at all.” Said seriously by Dinka Malual Anyar

Dinka Twi East vs. Dinka Bor

Undercover Group Interviewer: Why Dinka Bor people always don't like Dinka Twi East people, Mr. Ci Twi Dinka Ye Til, "first of all, thanks for inviting me Undercover Group and by the way it is a good question and deep question as well that need more answers concerning the backgrounds of these two independent sub-tribes of Dinka. My friend you have to know these sub-tribes are really totally difference when it comes to many things that classify them under Dinka tribe."

"The Greater Bhar el Ghazal Dinka being misled by Dinka Bor people when it comes to Dinka Twic East people. "They just hate because they are totally different people who many people who don't notice their differences don't know. Mixings of these sub-tribes is like someone trying to mixes cooked sorghum with grain of sand." Said Mr. Gawaar Nuer

According to our sources, we have learned that, the Bor County people are trying now to destroy History of South Sudan civil war. They claim now, the Widow of Dr. John Garang de Mabior, Rebecca Nyandeng and her son Mabior have rebelled against the government. So they will be responsible in destroying Dr. John Garang legacy. Wow! The reason behind this claims is being basis on jealousy that Michael Makuei Lueth and many other politicians from Dinka Bor did rebel against SPLM/A in 1980s and 1990s, it is kind like pay back to that allegation and true base claim as our group have learned. Another reason is because they had been trying to enshrine either President Kiir Mayardit or Kerubino Kuanyin Bol to be the really top Founder of South Sudan rather than Dr. John Garang de Mabior from Dinka Twi East they hate.

Also, our Undercover Group have noticed that, "the reason why the Speeches of our President often been unprofessional for citizens unity had been due to Michael Makuei, Agau Jok (Secretary of President Kiir from Bor County) and other politicians from Dinka Bor always rendering Speeches of President Kiir to reflect their interests. One example would be the damaged Speeches that was given out by Uganda President Museveni in Second Anniversary of South Sudan Independence (2013) in Juba was Michael Makuei group Speeches oriented to tarnish the image of his well known enemy thereof." Said by Kon Anok Campaign of Aliab Dinka

Another planning the Undercover Group have covered is a well planned to impose these sub-tribes of Dinka (Dinka Malual, Dinka Nyarweng, Dinka Hol, Dinka Twic East, Dinka Aliab, Dinka Ciec, Dinka Atuot, Dinka Gok, Dinka Padaang groups, Dinka Twic West) to accept wrongly names of these sub-tribes of Dinka (Dinka Agar, Dinka Rek, Dinka Bor, Dinka Ngok).

Our source have confirmed that, "the former Governor of Jonglei State, Kuol Manyang who is from Bor County where Michael Makuei Lueth came from as well, was brought in to be Minister of Defense in South Sudan's government mainly to protects, and also to puts more Dinka Bor or Bor County citizens in Military Ranks so that in future they would be able protect Telar Ring Deng whom they have already anointed as the only one that will take over the anarchy power

after President Kiir becomes too old in dictatorship leadership they have planned. You guys have noticed that, there is no Deputy Minister of Defense except Kuol who is also a Deputy Minister of Defense. This ideal was done intentionally.” Said by Ci Baai haac e Bor Dinka ku Monyjangda ka nin

Nuer de Nuer said, “you the Nuer tribe people should know that, this conflict is not between Dinka and Nuer, the war is between the Concerning Citizens of South Sudan about their nation going down the drain, and the Citizens of South Sudan who are supporting the damaging of our country by this Administration of nepotism, tribalism. Those who use this sort of Languages are mainly people who don’t want our new nation to prosper, bring harmony among our people and so forth as being brothers and sisters to each other. For instance, if it is a war between Dinka and Nuer, remember there would be no Nuer at all due to overwhelming of Dinka majority reason.”

The Undercover Group have obtained a troubling message to President Kiir Mayardit Administration from military, and we quote, “military is not fighting” they said, “let Uganda military forces fight because they are the ones being paid in daily basis through money of our people bloods who have die during the last civil war, the civil war whom some of us have sacrificed also and gain nothing from it fruits right now. The promises that were given to us at last civil war have not been fulfilled yet though. Our heroism song like “...Jeny weu acu wic giriic ka reei baai...” have been violated...” Our heroes have been jailed, people like Oyai Deng Ajak, Majak Agoot, Madut Biar, Alfred Lado and many others. Our families are suffering while we are still alive and what would happen to them if we die in wrong war like this later on? We have already seen the mistreatment of last civil war brothers and sisters’ widows, orphans, families, and even the Founder Father of our new nation of South Sudan, Dr. John Garang de MaThe Undercover Group have obtained a troubling message to President Kiir Mayardit Administration from military, and we quote, “military is not fighting” they said, “let Uganda military forces fight because they are the ones being paid in daily basis through money of our people bloods who have die during the last civil war, the civil war whom some of us have sacrificed also and gain nothing from it fruits right now. Undercover Group Interviewer: Why the Twic Dinka people still complaining that they don’t like Greater Bor Community, Dinka Bor names whom myself well know that it is a totally contradicting mist to true Dinka tribe history between these two sub-tribes, yet your Dinka Twi East people like honor Deng Dau Malek in South Sudan, Abraham Deng Lueth Mayom in US, and Jima in Juba are know people Dinka Twic East are heading this organization whom you the Dinka Twi East people don’t like it as being a contempt by your neighbor to erase your Greater Twic Community or Dinka Twi East?

Dinka Twi East Ace Cuar: “Good question Mr. Undercover Group member, I like your Group for the well done job, I believe, this your second time to leak outs a helpful message whom many major Media outlets in South Sudan don’t accept often. Your first leak did come out last year about Jonglei State affairs, I believe. That was then and now let me get to your question. The mainly reason for these individuals whom you have mentioned above holding those controversial positions of organization is not basis on over 90% of Dinka Twic East people, but the main purpose is relying on those three people plus their few opportunists whom the Dinka Bor people consider as puppets they always try to use against Dinka Twic East people interests for their gains

to Dinka Twic East good sources of both knowledge, leadership and materialism. So from now on, you have to know that, these names of Greater Bor Community, Dinka Bor, Baai Bor and anything that has something to do with Bor is totally Bor County thing only and not Dinka Dinka Twi East Ace Cuar: “Good question Mr. U

Undercover Group Interview: Why Michael Makuei Lueth have been accusing the Dinka Twic East people as being a rebelled sub-tribe in Dinka against government of South Sudan?

Piondit ke Koc rai: “The answer to this question is really deep, first of all you have to know that, Michael Makuei is a hot temper man, he is a true opportunist person whom I don’t blame though for that character to him alone because many people from Dinka Bor sub-tribe are absolute opportunists, Michael Makuei is a way beyond nepotism guy, his mission is to destroy Dr. John Garang de Mabior and the SPLM at large vision because he doesn’t have a good record in it achievements, also he and other from Dinka Bor are jealous about the history being associated with Greater Twi Community or Dinka Twic East people name, and not Dinka Bor people as they have learned that the Dinka Twi East people are not going to accept their imposing name at all, In addition too, the Dinka Bor people do always consider Dinka Twic East being the first and the ultimate threat to their dirty tricks, and other sub-tribes of Dinka Nyarweng and Dinka Hol of Greater Jonglei Dinka area as well. Part Three

The Undercover Group have learned that, the main reason behind David Yauyau peace signing in urgency way this year, was a fabrication by Michael Makuei, Telar Ring Deng and their groups to lure him back to South Sudan’s government so that his uniform men would be use against Dinka Twic East, Dinka Nyarweng and Dinka Hol and Nuer in region whom Michael Makuei have dissected as being a rebelled sub-tribes within Dinka community. The strategy way blindfold or upon to portrays war as being between Dinka and Nuer intentionally to misled an illiterate majority of Greater Bhar el Ghazal Dinka region people who don’t know more about Bor County people tricky lifestyle. Some of these people think they have been told good things concerning Dinka Twic East people and yet they don’t know that they being misled. Meanwhile in other hand, there are wise people among them who knows that the Dinka Twic East, the Dinka Duk ku Duk are innocent people being smear by Michael Lueth and his groups for nothing. I am not worry about The Undercover Group have learned that, the main reason behind David Yauyau peace signing in urgency way thi

Strategically, we have learned that, Malaak Ayuen was put in Military Headquarter Media hub to promote Bor County ideal where he came from as well. As many people can see through many

people have interviewed. Everything is fabrication for Bor County interests.

Also the Undercover Group have learned that, Maker Thiong from Bor County was put in Vetting Committee of South Sudan by Michael Makuei Lueth intentionally to push away anybody from Greater Upper Nile Dinka region whom they think is a threat to Dinka Bor dominance government.

Undercover Group Interviewer: Hello! Mr. Shilluk Kingdom, welcome aboard. My pleasure, said Mr. Shilluk Kingdom. What do you think was behind Dr. Lam Akol urgent pardoning to come back to Juba, the capital of South Sudan from Khartoum last year? Is there anything some people did notice off that and you know? “Well, the reason behind that was to brought him back to be a puppet that has to be used against his two brothers from Shilluk who are Oyai Deng Ajak and Pagan Amum. It was a well calculated strategy by Michael Makuei Lueth, Telar Ring Deng and their groups. That is what I truly believe was behind urgent welcome back of Dr. Lam Akol. The idea was not basis on pure reason they like him but it was another way to ride offs their eminent enemies they think, and after they have get rid offs their two enemies through brother against brother manner first, later on they will be back to Dr. Lam Akol as their old enemy. Also these two heroes are main part of SPLM vision success, and at the same time they are links

Undercover Group Interviewer: Let’s go to another question Mr. Shilluk Kingdom. No problem sir, said Mr. Shilluk Kingdom.

Undercover Group Interviewer: Mr. Shilluk Kingdom, I heard from the news outlets this year that, when SPLM military forces go back to Malakal Town, the headquarters of Upper Nile State, saying that there was a targeting of Dinka Twic East, Dinka Nyarweng, Dinka Hol, Shilluk and Nuer civilians over there, in your view, was it a fabricated news, or was it a true crime done intentional by certain people? Good question, said Mr. Shilluk Kingdom with dismay feeling in his face. “I have to say it was true and it was done intentionally by Michael Makuei, Telar Ring Deng and other interest groups of theirs. You know what did President Kiir said after that news, he said, “anybody who killings people under my name will be responsible for their questions...” Do you know who was not comfortable with statement from President Kiir were citizens from Dinka Bor or Bor County, that means the killing was order by Michael Makuei Lueth their politicians ffrom Bor County. Undercover Group Interviewer: Mr. Shilluk Kingdom do you believe President Bashir of North Sudan still have a mutual trust when it comes to his counterpart government of South Sudan leadership under Salva Kiir Mayardit after the Administration have allied itself deeply with

Uganda leadership under President Museveni whom Bashir does consider as being his number one enemy in the region? “It is absolutely no, the relation is becomes too sour between the two countries, as you can see in recently visiting of Telar Ring Deng to Khartoum, there was no good welcoming at all even when Telar Ring Deng, Michael Makuei and others have put people like Pagan Amum, Deng Alor, Majak Agoot and others whom the Khartoum considered as “Hardliners” they don’t like in South Sudan’s government. Undercover Group Interviewer: Mr. Agar Pakam, do you still believe that the majority of Dinka people still at this particular time are happy about Uganda troops and other mercenaries availability in our country, and at the same time they are killing our innocent citizens? You have to know that the majority of Dinka people in first place don’t want another war because they have lost many lives since the first civil and second civil war too. Undercover Group Interviewer: Mr. Bari tribe, how are you today? “I am fine, thank you and you?” Said Mr. Bari tribe. I am so wonderful.

Undercover Group Interviewer: Mr. Bari tribe, do you trust our system of Justice in South Sudan?

“It is a no no, there is no trust Justice system in our new nation. Why Dinka Bor people hate Dinka Twic East people, Dinka Nyarweng people and Dinka Hol people? Great question, I will give you few reasons why that, and here they are:

- Dinka Twic East, Dinka Nyarweng and Dinka Hol people know deeply about Dinka Bor people character whom many sub-tribes of Greater Bhar el Ghazal region Dinka and Greater Upper Nile region Dinka of Padaang Dinka don’t know about Dinka Bor except the Aliab Dinka of Greater Bhar el Ghazal region. So these sub-tribes of Dinka are often obstacles to any of their wrong plans.
- The Dinka Bor people are jealousy about Dinka Twic East people being favored by last civil war history. They think should be Dinka Bor history, and if they don’t due to Dinka Twic East wouldn’t allow it, they think they will destroy it because during the second war they don’t have a consistent records.
- The Dinka Bor people think they should be the controller of everything in Greater Upper Nile Region Dinka, and they truly know that they Dinka Twic East wouldn’t allow them to so. Also these people of Bor Dinka are naturally lacking these characters of fair leadership whom Dinka Twi East people have:
 - (a) Dinka Twic East people are known for their fair leadership within Dinka sub-tribes
 - (b) They are not violent people, and they use lot diplomatic more than violence
 - (c) They are unselfish or opportunist people like them
 - (d) They are naturally good distributors of things which is always needed by good leader
 - (e) They don’t cause conflict for nonsense reason, they don’t other people for nothing or cause other human being lives for nothings
 - (g) Dinka Twic East people have transparence, honesty, accountability, hospitality, etc
 - (h) Please check more about this wonderful community.

Undercover Group have learned that, the reason why people like Michael Makuei Lueth and other people from Dinka Bor hate the heroes of the last civil war from other communities of South Sudan is due to jealousy that, these people are going to keep the vision and also they will again let Twic Dinka in both side of River Nile come to power whom they hate the most. They don't want any Twic Dinka East to survive as one of Dinka Bor put it this way, "we don't any Dinka Twi person again after President Kiir Mayardit."

Undercover Group have learned that, the complaining that was raised in 2007 against late Dim Deng, Yac Arop and others as well was a calculated plan by Dinka Bor politicians like Michael Makuei Lueth and others. The plan was to eliminate the Dinka Twic West people who were an obstacle to them to exploit President Kiir. In this case, we are now questioning their death.

Why Dr. Majak Agoot, Rebecca Nyandeng, Pagan Amum, Oyai Deng, Mabior Garang, Dr. Riek Machar and others are become they targeted ones among many politicians SPLM Party in South Sudan?

- Well, our Undercover Group have learned that, these people are a threat to Dinka Bor people. Their ideal should be the one controlling everything in Jonglei State, Greater Upper Nile Dinka region.
- Anyone of these politicians is a threat to Dinka Bor politicians already planned secret that have anointed Telar Ring Deng to be the next dictator of South Sudan presidency for their interests.
- Also these politicians have a link to their first enemy which is of course they Dinka Twi (East & West) people whom they want any more to exist.
- These politicians too are capable of surviving the SPLM vision whom the Dinka Bor are trying to destroy because the history of the vision doesn't favor them, it favors Dinka Twic (East & West) as true history has shown it. Total jealousy behind it.
- The head of the poison snake here to Dinka Bor people about Dr. Majak Agoot is being tracked back to 2008 & 2010 when the smearing campaign stated that, "Dr. Majak Agoot is going to be the next person President would appoint to over the country as President, that allegation did allow Dr. Majak Agoot to be under house arrest." This allegation was cooked by Dinka Bor people because of Dr. Majak hails from Dinka Twi people whom they don't like.

Undercover Group have learned that the history has repeated itself from Dinka Bor/Bor County. This community has sold out our loving country of South Sudan again like what Abel Alier did in the first civil war. People like Michael Makuei Lueth, and others have sold out our country to foreigners, yet the majority of Dinka in both regions of Greater Bhar el Ghazal Dinka and Greater Upper Nile Dinka are sleeping foolishly. The only seem to be waking up sub-tribe among many sub-tribes of Dinka is Dinka Twic East. They have been trying to tell the truth to other Dinka sub-tribes yet they have been blindfolded by Dinka Bor smearing or deceiving campaign they have put forth against Dinka Twic East people in such a way they have even tricked the majority of Dinka people.

According to our Undercover Group research, we have been told by one of our interviewers that, "the President Kiir was about to give the Presidency position of the republic to somebody else but Telar Ring Deng, Michael Makuei Lueth and their interests group didn't like that; because they

suspect that the President might give the position to Dr. Majak who is from Dinka Twic Community, and also Dr. Majak was brought up in military wing by President Kiir Mayardit during the movement, and other legitimate heroes. It is the same jealousy of destroying vision of SPLM/A as well by the group.”

The terms in Dinka Language like “Dot ku Bany/Beny or Koc ke Bany/Beny” were brought forth by close politicians, started with Michael Makuei, and others to protect their short-term interests under President Kiir, and well planning long-term dominance under their future anointed dictator, President Telar Ring Deng.

For them to protect their dictatorship:

1. Kuol Manyang from Bor County has to be brought in to plant interests in Military side. Also Kuol was brought in to put their sons plus their interests groups sons to control military powerful positions. But many people are still don't yet notice that, Kuol Manyang is also the Deputy Minister of Defense, He is in Negotiating Team member, SPLM Senior member without opposition in his own idea, and many other essential position in South Sudan's government. Some example, many people right now can't even see that there are more high profile military leaders from Bor County and many might come soon as Kuol Manyang become Minister of Defense as well.

2. Justice side was really planned in last Cabinet appointment whereby Telar Ring Deng should been the Minister of Justice and Legal Advisor to President Kiir also. The main reason here was to executed the opposition in wrong basis claims, and nobody within the Administration will question him for wrong charges. Unfortunately, the Justice position was denied to Telar Ring Deng. But still they have appointed someone whom they will exploited to do their interests though, like currently Minister of Justice.

3. The other success group planned position was Minister of Information, which is of course the position Michael Makuei holding right now, was well allocated to destroy opponent in Media world.

4. To cold-blooded opponents, Marial Chanuong (Note: Many people know that, Marial Chanuong was the one who killed Majier Gai from Bor County but now he has been oriented to say that Dr. John Garang was the one who killed Majier Gai) from Telar Ring area, Mach Paul from Bor County and others were planted to protect their dictatorial leadership from oppositions.

5. Malaak Ayuen from Bor County was put in Military wing as Investigator so that he would be able to put opponent (Of course, the Dinka Twic East people politicians, one example was recently interview to MP of Twic East County, Deng Daau to creates division within Dinka Twi East people) whom they see to be the threat to their interests of Bor County.

6. President Kiir office have Secretary from Bor County of Michael Makuei Lueth to put their interests in President Kiir speech, and not national inclusive speech.

7. Maker Thiong from Bor County in South Sudan Vetting Committee to chase away any politicians they don't like to enter South Sudan government Cabinet.

Who are the most people trashing the Media nowadays with abusive Languages when it comes to our Hero and Founding Father family members like Rebecca Nyandeng and Mabior Garang. Of course, there is no other tribes or sub-tribes in South Sudan people been doing that except Dinka Bor or Bor County people and people they have fooled to believe in their basis hatred and jealousy against dignifying people of Dinka Twic East within Dinka sub-tribes. They just hate Nyandeng, Mabior Garang and whole Dinka Twi East people for nothing other than jealousy against them. Also they don't like Dinka Twi East people because the Dinka Twic East people often don't go along with their bad apple lifestyles.

8. Many Ambassadors were appointed from Bor County, people like Dr. Akech to spread Bor County or Dinka Bor ideal dominance around the world according to our research.

Our research have concluded that, this time Dr. Riek Machar is not responsible over the on going conflict in South Sudan that continue to devastated lives and property, it is President Kiir Mayardit and thugs like Michael Makuei Lueth, Telar Ring Deng and their groups. The Dinka massacre of the 1991 is Dr. Riek cause.

Undercover Group have learned that, the Bor County people don't fight though, they fight in their mouth than their really physical nature. Also they use any proxies way they could to destroy their opponents. One example would be the last fighting Bortown, they just run away and let their foolish majority of Greater Bhar el Ghazal Dinka region whom they have fooled to come and die for their interests and land. When some of the soldiers from Dinka Bhar el Ghazal region started to says, "why we come and die in Bor land?" They start abusing Dinka Bhar el Ghazal Region and other Upper Nile Dinka Region for that statement.

Our group have learned that, the Bor County people have been asking these questions concerning currently situations in our Country, why our town of Bor been the targeted one? Why the rebels didn't attack the Dinka Twic East, the Dinka Nyarweng, the Dinka Hol, the Dinka Padaang groups of Greater Upper Nile Region? Why the rebel didn't go to Warrap State where the President hail from? The Undercover Group have learned that, the Bor County people are on track to damage their creditable if they don't change their mind-sets of always trying to own everything, to imposing their ideals like name "Bor, Greater Bor Community etc. To other communities." We are sorry to say this, "other communities are now learning their bad attitude, their isolation from Dinka Twic East, Dinka Nyarweng and Dinka Hol are deserting Dinka Bor people which means the vulnerability of Dinka Bor who use to cover their bad attitude under dignifying, integrity, good leadership of Dinka Twic East people. In both Greater Upper Nile Region and Greater Bhar el Ghazal Region, nobody will accept Dinka Bor people that would be troublesome to them if they don't advise their bad apples among them who are always trying to impose anything to others plus too much greed without control.

In addition too, the Bor County politicians are now busy trying to draft what say would be the next "Greater Bor State" that will put Twic East County, Duk County and Bor County as one State. The plan here is to keeps Bortown as headquarter. "What a wasting of ink." by one of our Interviewer. We think anybody who will accept that plan from Twic East County and Duk County might be their usually fooled people within these communities by them.

Undercover Group Interviewer: Hello! Mr. Acholi tribe, I think you will say the truth about this question because you are from different tribe from Dinka sub-tribes. Do you believe that Michael Makuei Lueth and it interests did order the executions of Dinka Twic East and Dinka Duk? Of course, it is true, one example out of this question, do you know that the Widow of our hero Dr. John Garang de Mabior was under house arrest by Michael Makuei Lueth without any written or verbal message from President Kiir Mayardit warranty. Also there had been an rumors that, Michael Makuei Lueth and one of his groups went to detention center where Dr. Majak Agoot and other Detainees were kept. He and others went there and ask security to allow them to see Dr. Majak Agoot but security said, "did you guy have permission from the President", they said "no." Than the security guards call the President of the Republic at night. The President said "I didn't give anybody permission to see Dr. Majak and other detainees." We have seen the outrage of this community of Bor, they are out of control. They have even use South Sudanese money to advertise the Dinka massacre of the 1991 in Kenya national TV. and Uganda TV as “Bor massacre, Dinka Bor massacre, Dr. John Garang de Mabior is from Dinka Bor and not Dinka Twic East plus Greater Bor Community where Twi, Bor, Hol & Nyarweng under.” All these things are true citizens of South Sudan. Except the only thing we have to wait to prove these claims through either way is what the History Department or Education Department would do when they are going write our nation History. We hope they will not be bribed by Bor County politicians as they always do to write history that will cause trouble.

The Undercover Group many sources have started that, “the recently signed peace of David YauYau with government was not really needed one for long-term but it was brought forth according to our sources to encounter the Dinka Twi/Twic East County, Dinka Duk/Duk County, Nuer and rebels as Michael Makuei Lueth been considered them as being the enemies of his Dinka Bor/Bor County people and the government of South Sudan they have dominated..”

Also the South Sudan citizens have to bear in their minds that, nobody in jail from Bor County or Dinka Bor. Why is that? Makes some homework please.

When we go back to 2010 governorship post election in Jonglei State that year. We know who were the candidates, they were two major heroes of George Athor Deng and Kuol Manyang Juuk. And disputes arrised between these two heroes who was the Minister of Justice in South Sudan government? Well, there was no other person in that post rather than Michael Makuei Lueth from Bor County were Kuol Manyang came from. As we still remember disputes very well, Michael Makuei Lueth pre-judged hero George Athor Deng by taking side with his brother Kuol Manyang. So to us, the death of George Athor Deng have to Investigated because we suspected that, these two people and others have dirty hands in our hero death. Also they should have been thankful for that, and leave both history and hero family to Dinka Twic East people in respect of dignifying people. Again, the jealousy is behind this as many people had been saying in your Interview.” Said Mr. Murle tribe

Undercover Group Interviewer: Hello! Mr. Azande tribe, why many people from Dinka Bor/Bor County often talk about the Dinka Massacre unless always come from Dinka Twic East, Dinka Hol, Dinka Nyarweng, Dinka Padaang of the Greater Upper Nile region whom I had been heard that these groups were the most affected groups by the event than Dinka Bor people actually? Good question Mr. Interviewer, in my view it due to few things below:

- The Dinka Bor people are vying for history that always favor Dinka Twic East people upon true reason.
- Popularity reason that will allow them to be accepted by public who don’t know nothing they were not they main core of the disaster impact of the 1991.
- They use it to gain from South Sudan’s government.
- The last year President Speech in Fake Convention where the 1991 incident becomes the center point of Convention, it was written by President Secretary from Bor County where Michael Makuei Lueth came from. That person from Bor County was put their to orientated the Speeches of President to reflect their interests. Any Speech from President have pass through Michael Makuei Lueth and Bor County interest groups, then to President Secretary which is from Bor County, and then after that to the President of the republic.

In our research, we have learned that, the 1991 Dinka massacre was a mouth feeding word to these politicians: Vice President Wani Igga, Daniel Awet Akhot, Dr. Riek Gai and others by Michael Makuei Lueth and Telar Ring Deng plus their Fake Coup to get rid of their opponents.

What people didn’t know about the 1991 Dinka massacre was that, and we the Undercover Group have learned from the 1991 Dinka massacre, the communities that were affected the most by the atrocity were the Dinka Twic East people in high-degree outcome, from 1991 to 1997 until endower of conflict by God Himself when He sending in a big rain with thunder and lighting toward Nuer people who were planning to attack Dinka Twic East again. After the rain, people go to the area and found many dead bodies lying over vast area of Nuer people at South-East area of Panyagoor Town, the modern time headquarter of Twic East County, Jonglei State, South Sudan, in second place was Hol Dinka and Nyarweng Dinka of Duk County who are sharing uniform impact from the event, in third place was the Dinka Padaang of the Greater Upper Nile Region,

and then in fourth place is Dinka Bor of Bor County with lower impact because it was only one day that Nuer tribe run over it area plus the Dinka Bor people of Bor County did run to other side. What people didn't know about the 1991 Dinka massacre was that, and we the Undercover Group have learned from the 1991 Dinka massacre, the communities that were affected the most by the atrocity were the Dinka Twic East people in high-degree outcome, from 1991 to 1997 until endower of conflict by God Himself when He sending in a big rain with thunder and lightning toward Nuer people who were planning to attack Dinka Twic

Over our interview period, we have found out that, when you say, "Bor massacre" the Dinka from the Greater Upper Nile region (Jonglei, Upper Nile & Unity) that consists of "Dinka Twi/Twic East County, Dinka Hol & Dinka Nyarweng/Duk County, and Padaang Dinka sub-tribes of Pigi County will consider you as being one the dumbest person they ever came eventhough will not tell your stupidity. The reason why they consider you being dumb is because you are being considered by them someone who doesn't use your professional persona of being educated person. If you are really an educated you must have to studie people first plus making thoroughly research before you even open your mouth. They say, "people don't know that, when you say "Bor massacre" you are totally talking about one sub-tribe or one County of sub-tribe under the name "Bor County/Dinka Bor/Greater Bor Community" which is totally exclusive to Dinka Twi/Twic East County, Dinka Nyarweng and Dinka Hol/Duk County. The really "Bor massacre is 2013 massacre" and not "1991 Dinka massacre"; the "1991 Dinka massacre" or "Greater Upper Nile Dinka massacre" did include other sub-tribes of Dinka in Greater Upper Nile Dinka region, and not one sub-tribe of Bor County. If you happen to say that, "Bor massacre" when it comes to 1991 atrocity, in your saying or writing you have to coisder that, you are talking about one County of Bor or Dinka Bor sub-tribe. It would be Dinka Nyarweng saying, "Dinka Nyarweng massacre of the 1991 or Dinka Twic East saying or write it "Dinka Twi East massacre of the 1991 or Hol Dinka in that matter, etc."

Also the Undercover Group have learned that, "most of the Dinka elders and intellectuals have actually predicted these mess of our country. Their prediction was based on sub-tribes of Dinka who are in the movement in power, and those sub-tribes of Dinka are not known for their good governing at all. These sub-tribes of: Dinka Bor or Bor County or Greater Bor Solely known, and Dinka Rek of Warap State are not know for good governance. These sub-tribes are known for their lack of management. according to Undercover Group sources.

Undercover Group have learned that, the releasing of people like Madut Biar of Malual Dinka was due to threaten requests that was received from Dinka Malual Community toward Dinka Twic West of President Kiir Mayardit, the Padaang Dinka sons were also being released because of Dr. Francis Mading Deng didn't want anything to happen again to Padaang Dinka's sons like what did happen to George Athor Deng death; also Chol Tong Mayai was released because of Agar Dinka threatening Administration as well. Also the Undercover Group have learned that, the seems to marginalizes sub-tribes of Dinka by the smaller size sub-tribes are the most populated and at the same tine they are patriotic in Dinka sub-tribes when we view back to two civil wars of struggle:

The most patriotic sub-tribes in Dinka are below, started from the most suffering during the second civil war to the least one::

- Dinka Twic (East & West)
- Dinka Malual
- Dinka Padang Groups
- Dinka Nyarweng
- Dinka Hol
- Dinka Bor
- Dinka Ruweng
- Dinka Rek
- Dinka Agar
- Dinka Gok
- Dinka Atuot
- Dinka Ciec
- Dinka Aliab (Dinka Aliab people are known for earlier campaign of Kon Anok)

The Vice President Wani, and Equatoria Region people were blindfolded to believe if Dr. Riek or somebody else comes to power, you guy would lost Vice President position.

The Undercover Group also have learned that, the Bor County people don't fight, and that is why they have been complaining to Twic East Count and Duk County people because they are fighter

than them, to come and protect their land. Of course that didn't happen, but the Greater Bhar el Ghazal Dinka region people who are and need to be reduce and come and do their dirty work.

The reason is to allow these people to go to Bor Town for their benefits plus it will allow the disappearing of these sub-tribes (Dinka Twi East, Dinka Nyarweng & Dinka Hol) and then the Dinka Bor name will reign as the area name as they want it.” Said Mr. Madi tribe

“Where in the world you would be able to fight if you have been stripped offs power, you are being denied to promote reconciliation to people whom you have done something wrong to them in 1991, especially to communities like Dinka Twic East, Dinka Hol, Dinka Nyarweng, Dinka Padaang groups, and Dinka Bor, plus you are being fired from nation high position without any good abided by your Part Rules and Regulations and/or the Constitution of the nation except that the mainly reason was just to complicate everything because of your past Dinka massacre incident, the Party Structures are being destroyed without any good reason either, the Convention of the Party you are in is being denied to carried mandated components according to your Party Constitutions, no communication within the same Party members, the Constitutions of the Party

“You Dinka Twi East people people don’t have any Minster in South Sudan’s government, and we the Dinka Bor have Minister of Justice, Michael Makuei Lueth.” Said Bor County citizen at the time Michael Makuei Lueth still in that Ministry position.

“SPLM/A vision have die with Dr. John Garang de Mabior. Also the idea like Gadiang should be the Headquarter of Jnoglei State have die too with Dr. John Garang de Mabior of Dinka Twic East people.” Said individual from Bor County

The Dinka Bor people are now crying everyday toward Nyandeng, her son Mabior and whole “Dinka Twic East community people as they are the main problem but their intentions is to blindfolded public for their own wrong doing.” What a dumb people are they, was Nyandeng responsible when bodyguards of President start fighting among themselves? Nyandeng was saying the truth in which many South Sudanese have approved right now stupid people. Recently, they have asked government of South Sudan to gives money to their corruption of Dr. John Garang University and at the same time abuse the family of man whom they enjoy the freedom fruits. Are you kidding me!”

“The word “Treason” was just put in mouth of South Sudan Minister of Justice like what they did to Vice President Wani, Dr. Riek Gai, and others concerning the “1991”. It is another way to proves that there was a coup.”

The Undercover Group have learned that, the Dinka people are not fighting this because they do consider it as being propaganda conflict. According to our inside account, “many of Dinka soldiers don’t even bother themselves to fire their bullets against their cousin brothers from Nuer.” They just go, and says, “let those foreigners doing the fight because they are one being paid with our money and we are not being paid since last year either.”

“When things are become too bad people start accusing each others, suspect one another and/or even they don’t trust one another, either within the same community, tribe, sub-tribe, clan, that is what happening now in South Sudan nation.” Said Mr. Mareng Ngok Dinka of Abyei

The Undercover Group have found out that actually, “some Intellectuals, Spiritual leaders, and Elders from Dinka tribe did advise our President not to take this road of conflict but he didn’t listen at all.” Said Mr. Lotuha/Lotuka

The currently mess in our new nation was actually predicted by some elders and intellectuals from Dinka community. Their prediction was based on sub-tribes of Dinka who are in power today apart from their well known sub-tribes within Dinka community who are truly known for their fair leadership. Few example are: Dinka Bor, Dinka Rek, Dinka Gok are not known for their good and fair leadership except these sub-tribes of Dinka are known for their fair leadership: Dinka Twic East, Dinka Padang groups, Ruweng Dinka, Dinka Malual, Dinka Nyarweng, etc who are not now government.

Let’s break these sub-tribes a little bit:

- The Dinka Bor people of Bor County are known for their disaster-some when its to comes to fair leadership. They don’t have transparency, accountability, nepotism and selfish do always run within this community.
- The Dinka Rek people too are like Dinka Bor people except that they are more warrior-some people than Dinka Bor people who are not a true fighters except thing like mouth fighting. The Rek Dinka people in third place after Gok Dinka and Agar Dinka in whatsoever.
- The Dinka Agar people are the really warrior, and their warriorsim is well known because they don’t hesitate to fight any conflict, either it is basis on true or false reason; Agar people have to fight it without exception. They are like Nuer people who just fight any conflict that comes their way without hesitation of being true war or not.
- The Dinka Padang groups are known for their good and fair leadership plus their good fight when good reason is behind what they are intended to fight for. That’s why always being second behind Dinka Twi East of Dr. John Garang de Mabior.
- The Dinka Twic East people are known for their fair leadership, they are known for their

good distribution of things, transparency, good fighters when fighting is bearing truth in it, etc.

- The Hol Dinka people are the second warrior to Dinka Agar among Dinka sub-tribes.
- The Dinka Malual people are like the big brother who always doesn't want anything but fairness among his brothers and sisters. They are moderate people through either fair leadership, and their fighting when true is there upon what they fighting for. These sub-tribe of Dinka Malual have sacrificed lots during the second civil war behind Dinka Twic East people of Dr. John Garang de Mabior.
- The Dinka Twic West people are mostly the same with Dinka Twic East people. However, the Dinka Twic West people are not longer in their traits because they have intermarriage more with outsiders than Dinka Twic East brotherly people. So for that reason, they have adopt violent behavior unlike Dinka Twi East people who are still maintaining their original traits of humbleness and fair leadership. Also they have observed in some characters from small tribes they have integrated into their Dinka Twic West sub-tribes. But they are still sharing much of their close links in Dialects, etc.
- The Dinka Aliab people are known for their good fighting and their good fighting is always basis truth like Dinka Twi East, Dinka Nyarweng, Dinka Padang groups, Dinka Malual Giernyang. However, they lack good leadership because they always have a humble traits that doesn't allow them to be public spot-light very much.
- The Dinka Nyarweng people are known for their fair fight. They are always and almost like Dinka Aliab, Dinka Twic (East & West) and Dinka Padang groups, Dinka Malual. Their leadership is kind of in middle after Dinka Twi East, Dinka Padang groups, Dinka Ruweng, Dinka Malual, etc.
- The Dinka Kiec and Dinka Atuot people are known for their being good fighters but limited in fair leadership.
- And many others.

According to our intelligent source told us that, “over ninety percentage of Dinka people are not fighting except few people who are in power. They do considers this conflict as being motivated by few interests personnel. To even more troublesome to president Kiir, many people now from Dinka are totally unhappy for Uganda and other foreigners involvement in South Sudan nation affairs. But they have no where to turns because Dr. Riek is in opposition side with bad records of the 1991 splits that did create both Dinka massacre or Upper Nile Dinka massacre and Nuer massacre plus there is no a legitimate person who have come up to be follow outside President Kiir and his yes men and women in Juba. Even Dr. Riek is the obstacles why many Nuer people don't join the SPLM opposition freedom fighters. The Dinka people too are being restrained by some divisive tones that do come out from some Nuer who says, “we can defeat Dinka government, Dinka Kingdom and etc” these few words don't go along with Dinka loyalists eitheAccording to our intelligent sou

The 1991 Upper Nilke Dinka massacre and Nuer massacre: As old says, “if somebody always talking about the past event in daily basis like he/she was affected the most, please always watch for that person claims. He/she might have not faced the event badly.” What we have learned from this disaster is that, “both the Dinka and Nuer in the region did loss many lives for the massacre. We often this note from people who were truly the survival of the conflict. Mr. Dinka Twi East says, “it was God who stop that war between Dinka and Nuer in 1997 through big rain that God sends with lightning and thunder toward Nuer people when they were trying to attacks Panyagor

Town, the currently Headquarter of Twic East County, Jonglei State, South Sudan. That day many dead bodies of Nuer people were found lying down everywhere. Since then there have ever been a major attack to Dinka Twi East people from Nuer.”

“The “Third-Block” was formed because the group was a little different with Dr. Riek, Taban Deng and Alfred Lado due to that, “Dr. Riek, Taban Deng and Alfred” are for conflict as their solution in most case, yet the “Third Block” in SPLM opposition are for diplomatic or dialogue solution to the conflict. Other than that, they have no other differences.” Said Mr. Ciec tribe

The majority of Jonglei State citizens don’t want their state to be divided into many states. Except they want proposal that will remove the Headquarter of State from Bor Town to either Gadiang and/or to be relocated to any suitable location in middle of State to advantages every citizens of the State.

Certain allegation has been saying that, “there should be Bor State or Greater Bor State” what do you think about Mr. Duk Dinka tribe. “Let them try, and blood would be the solution to it.” Said Mr. Duk Dinka with dismay face

The Undercover Group have learned that, “the majority of South Sudan’s citizens don’t trust either President Kiir or Dr. Riek Machar. They have lost trust in these two people leadership to bring people together.” Said Mr. Fetit tribe

The Undercover Group have learned that, “many people are learning now that the conflict was caused through wrong reason. That means, anybody who have lost relatives in this baseless conflict might bear to revenge. And/or any death to detained heroes might even cause more troubles than people think through many sections like tribe, sub-tribes, lineages, etc. Just a concern warning.”

“We don’t want anybody from Dinka Twic Community to be the President of South Sudan again after President Kiir Mayardit from Twi Dinka Community. It was Dr. John Garang de Mabior back then, and now should end with President Kiir.” Said unidentified High Profile Intellectual from Dinka Bor or Bor County.

We will close our message with Dr. John Garang, “anybody who going to hands in my death will not success.”

Thank,

Leaked message by Undercover Group of South Sudan who are living everywhere around the globe.
